

Media Release July 2008

Meet the Stars from the roof of Australia as Kosciuszko Alpine Guided Walks launch their new sunrise and sunset walks packages.

Experience the natural wonder of Mt Kosciuszko and the main range in either a morning or evening walk. Glimpse the staggering beauty of the rising sun over Australia's most famous national park or witness the kaleidoscope of colours created by a Snowy Mountains summer sunset.

Walks are lead by an experience guide eager to divulge the unique secrets of the mountain's landscape including its native flora and fauna before indulging in delicious selection of pre-prepared gourmet treats.

"These new packages are a welcome addition to our already extensive list of guided walk options. We want to provide our guests with the best all round walks experience and believe "Meet the Stars" fits the bill perfectly" says resort General Manager Austin Robinson.

From \$280.00 per person 6 share minimum (low season)

- 2 nights accommodation
- Hot Buffet Breakfast Daily
- Meet the Stars guided walks - choice of Sunrise Adventure or Sunset Tour
- Bushwalking equipment supplied
- Bushwalkers breakfast on Sunrise Adventure or Supper on the Sunset Tour
- Use of resort health club and day spa, gym and sporting facilities
- Access to resort walking trails

Walks Itinerary - Sunrise Adventure (Moderate grade)

This walk begins in the early hours of the morning and is an 18.5km round trip from Charlotte Pass. Walkers will be mesmerized as they watch the sun slowly rise revealing the magnificent Kosciuszko Main Range. The walk includes a hot beverage and morning snack before descending to experience the surrounding environment previously kept hidden from view.

Walks Itinerary – Sunset Tour (Easy grade)

Commencing at Charlotte Pass, the track leads along to the picturesque Snowy River where walkers can dip their feet in a crisp mountain stream before relaxing with a

light snack and cool refreshment. Once the sun has disappeared over the range returning walkers can enjoy the spectacle of stargazing across the southern alps.
